SOUTH SEA ISLAND
FIJI'S BEST VALUE ISLAND

South Sea Island

NOW INCLUDES A FIJIAN
'MEKE' PERFORMANCE

COMBO

A fantastic combination of a cruise exploring the outer Mamanuca Islands with 3 hours at our very own South Sea Island.

On the island there are loads of activities on offer - great snorkelling, watersports or take the semi-sub ride to see the spectacular coral and fish life. Sea air makes you hungry so we know you'll enjoy the tasty barbecue lunch with a cold 'Fiji Bitter' or other complimentary drinks.

After lunch board the high speed catamaran for your cruise around the beautiful Mamanuca Islands. You'll see many of the islands including Bounty, Treasure, Beachcomber, Mana, Castaway and Malolo Islands.

For full details of what is included at South Sea Island, prices and departure times see the next page.

FINDING NEMO

If you would like just a short trip out to South Sea Island then this is the cruise for you. In just 30 minutes you are there, spend two hours at the island and back in time for lunch (or maybe a siesta!) See the stunning underwater world of the Marine Sanctuary that surrounds the island with its colourful coral and magnificent fish life and you don't even have to get wet as we'll take you to view all this in our semi-submersible vessel "Coral Explorer". You sit beneath the surface viewing the coral and fish through large panoramic windows.

After this fascinating trip you can spend some time ashore relaxing, take a swim or go snorkelling. Enjoy the complimentary drinks on the island. For prices and departure details see the next page. A short and interesting trip - ideal for those with young families. They might even see Nemo!

FULL & HALF DAY

For the greatest fun under the sun you can't beat a day at South Sea Island, the closest day trip island. Just 30 minutes from Denarau aboard a high speed catamaran, our uninhabited island is surrounded by crystal clear waters and magnificent coral reefs. Our Fijian crew will give you a warm welcome as you step ashore onto the sandy beach. Then the island and all its activities is yours to enjoy. The hardest part is choosing what to do first!

You can enjoy snorkelling, sailing and kayaking, perhaps a massage or just lazing on the beach. It is one of the few islands where there is still good access to the sea at low tide and we have a swimming pool.

Another great feature of your trip to South Sea Island will be a ride beneath the waves in our semi-submersible vessel to explore the coral reefs and see the magnificent tropical fish life in the surrounding Marine Sanctuary.

There are a number of different options for you to enjoy this jewel of an island. A tasty barbecue and salad lunch is included (except on "Finding Nemo") and beer, wine and soft drinks are included on all trips throughout the day, whilst you are on the island.
