DAY SAILING ADVENTURE

SSC1607

VISIT A FIJIAN VILLAGE AND THE ISLAND OF MODRIKI FEATURED IN THE TOM HANKS MOVIE 'CASTAWAY'

Board the magnificent classic schooner 'Seaspray' (of television fame) for a day exploring the crystal clear waters, beautiful beaches and lagoons of the Mamanuca Islands.

This 83 foot schooner offers stable and comfortable sailing to maximise your onboard comfort and enjoyment. Help set the sails, take the helm or just laze around on deck.

We anchor off Modriki where you can go ashore to explore this uninhabited island with magnificent beaches and snorkelling. On Yanuya we visit a traditional Fijian island village. You'll be welcomed ashore with a Kava ceremony (except Sunday) then have the chance to explore the village and meet the locals.

Passengers travel to and from Mana Island on board our fast catamaran (where you transfer directly to 'Seaspray') so as to maximise the sailing time amongst the most beautiful island areas.

Nothing like a day at sea for a big appetite so we include morning and afternoon tea plus a delicious barbecue lunch. All your drinks are included as well with wine, beer, soft drinks, tea and coffee available throughout the day whilst on 'Seaspray'.
