Amazing activities to do on the island

## FULL DAY CRUISE

For the greatest fun under the sun you can't beat a day at South Sea Island, a popular day trip island.

Just 30 minutes from Port Denarau aboard a high speed catamaran, our uninhabited island is surrounded by crystal clear waters and magnificent coral reefs. Our Fijian crew will give you a warm welcome as you step ashore onto the sandy beach. Then the island and all its activities are yours to enjoy. The hardest part is choosing what to do first!

You can enjoy snorkelling, diving (additional cost) and kayaking, perhaps a massage (additional cost) or just lazing on the beach. It is one of the few islands where there is still good access to the sea at low tide and we also have a swimming pool.

Another great feature of your trip to South Sea Island will be a ride beneath the waves in our semi-submersible vessel to explore the coral reefs and see the magnificent tropical fish life in the surrounding marine sanctuary.
